

Calculator TI-83 Rental Agreement For the Semester Fall 2006

Texas Instrument Graphic Calculator Ti-83 is sold at Wal-Mart on-line for \$98.99 plus shipping and handling.

We strongly recommend you to purchase your own, it is essential for your high school and college education.

If you can't afford it this semester, you may consider:

1. Pay the Accounting Department the Calculator Deposit: \$60. Give your receipt to Mrs. Hernandez to begin your rental service.
2. \$10 of the Deposit is nonrefundable, paying for the battery.
3. \$50 of the Deposit will be refunded to you at the end of the semester. However, Late fee will be deducted from this \$50 @ \$2/each late return (one period or more after the class you check out for) or @\$5/overnight. When your late fee reaches \$50, you are no longer eligible for the rental service.

In case of damage or lost, you are responsible to pay the difference up to \$100.

I understand the term and the responsibility. I accept the rental agreement. I will check out the calculator before the class I need and return it promptly to the library after that class. I will take good care of the calculator in my care.
