

# Student Contracts

## 2006-2007

**These are very important documents of accountability. They must be read carefully, signed and dated before a student may receive the following services and receive their textbooks.**

Student (Print): \_\_\_\_\_, Grade: \_\_\_\_\_

### Computer Use Policy

- a. I understand it is a privilege and not a right to use ECA computers.
- b. I understand that the computers are for learning and research purposes only! Whether they are in the library, the computer labs, the science labs or the classrooms, they are not for recreation. I need to wait until I get home or get to the public library to use the computer for entertainment purposes.
- c. I must respect the property of ECA. I should not treat the computers and equipment roughly or carelessly. Otherwise, I will be responsible for the cost of the damage.
- d. I must observe the Christian Honor Code at all times, not to browse nor visit any websites of obscenity.
- e. I should use my time at school wisely for study. I must obey school policy not to use computer for e-mail, games, chat room, nor for webcam, etc., even when I am not in my scheduled class.
- f. I must consider the security of ECA network and my own security.
- g. I must respect the authority of the ECA Administrators, teachers, substitutes, and library personnel. I should obey their command.
- h. I should stay in my assigned class during school to learn from my teacher. It is my responsibility to do my homework after school. It is only under special circumstances I may use a computer outside my class, with my teacher's signed hall pass.
- i. I am responsible to pay for any computer printouts and copies at 5 cents each page when it is printed. Color printouts are 50 cents each.
- j. I understand that the school reserves the right to withhold service to me if I refuse to obey the computer policy.

**I have read the Computer Use Policy; I agree to obey the rules.**
